Supply Chain Management Prediction Model

Refilling request received in last 3 months (0-100)

50

Number of competitors in the market (0-100)

50

Number of retail shops (1000-15000)

10000

Number of distributors (10-100)

50

Distance from the warehouse to production (10-300)

150

storage issues reported in the last 3months (0-50)

45

Is capacity size Large? (0 / 1)

0

Is capacity size Mid? (0 / 1)

0

Is capacity size Small? (0 / 1)

1

Predict

Predicted Product Weight in ton: 57712.59237851581
